Dear HR,

Please accept this letter as an expression of my interest in the Entry Level Fullstack position. I was absolutely thrilled to see your posting for the position of Fullstack Engineer. I am certain I can help with upcoming challenges and meet the needs of Spotify. With the experience and knowledge required to build creative software at scale, I am confident that I can exceed the expectations of Spotify, further increasing the efficiency of your software engineering efforts.

With my Fullstack Engineering experience, I've built and deployed dynamic websites using Python/Django, HTML, CSS/Bootstrap and Javascript.

I eagerly welcome the chance to show you how my knowledge can translate to an Incredible addition to the Spotify team.

Sincerely,

**Cade Heck**
